

**WEA Sanderstead and Selsdon Branch
Jane Bishop**

The committee of the WEA Sanderstead and Selsdon Branch held a meeting on 12 January 2018, where they voted 4 to 2 to uphold their decision at the extraordinary meeting on 28 October 2017 to close the branch due to the resignations of the Chairman and Secretary and the fact that no new persons had come forward to replace them and other members of the committee.

However, those committee members who were against the decision would like to start a new committee and reopen the branch. Please contact Jackie Godfrey **by the end of February** on 020 8647 7602. email jnewwall@yahoo.co.uk If you feel you could help in any way. (This date will of course have passed by the time the Sanderstead News has gone to press but we have this information on our Sanderstead Residents Association Website).

Whatever happens there will be a course with Jim Chrystie on International Current Affairs starting on Monday 29th October 2018.
