Dear Sir / Madam,

Brighton Road Cycle Improvements Scheme

Brighton Road is a major transport corridor into Croydon town centre from the south of the Borough. The council has introduced improvements along Brighton Road to improve conditions for cyclists and pedestrians. Some of the improvements include segregated cycle lanes (where feasible) and improved pedestrians crossings as part of a wider scheme. These improvements have been put in place resulting from walkabouts with local ward Councillors, conducted in 2021, and further improvements made following the May 2022 local elections.

The council wishes to implement these measures under an Experimental Traffic Management Order (ETMO). This will come into force on 3 April 2023 and will remain for up to 18 months. This means the scheme can be monitored and assessed throughout the experiment – and if necessary – changes can be made, before the council decides whether or not to continue with the scheme on a permanent basis. The objection period is 6 months from the operational date of 3 April, and you can only object to the scheme from that date and within the 6 months period. Any objections received after the 6 months period will not be considered.

Brighton Road Improvements

- Where feasible, restrictions reduced to cater for business servicing and visiting shoppers. These are specifically where there are rows of shops, we have also reduced the restrictions where the cycle lanes are in front of shops.
- Retaining timed bus lanes, with additional restriction added for the morning peak on the southbound bus lane.
- All parking bays in the southbound bus lane have not been changed.
- Additional parking bays and loading bays have been added at shopping parades and other identified areas.
- We have made changes to 3 existing zebra crossings to increase the width of the cycle lanes.

Side Roads Proposals

Road Names	Changes to parking. Waiting and loading restrictions
Biddulp Rd	Double yellow lines amended to single yellow to allow for off-peak waiting/ loading between 10am and 3pm. Removal of motorcycle bay outside Royal Mail sorting office with conversion to single yellow line for off peak waiting/ loading.

Mansfield Road	loading bay
Newark Rd	Double yellow lines on one side amended to single yellow to allow waiting and loading between 10am and 3pm

How do I give my views?

The trial process of an ETMO is designed to allow residents, businesses, schools, and other stakeholders time to experience the scheme, and then come forward with any issues or suggested amendments that could make the scheme work better and achieve its goals.

You can send your views via the online “Get Involved “and you can also send in any objections you may have using the same web site. You will only be able to submit objections from 3 April 2023 when the Experimental Order comes into force and during the first 6 months of the trial period from the 3rd of April. Objections received before or after these dates will not be accepted. You can send in your views and/ or objections via the following:

- 1) Online:** complete our online form at: www.getinvolved.croydon.gov.uk
Reference Code “BRIGHTONROAD”
- 2) Post:** send your views quoting scheme reference” BRIGHTONROAD” to Highway Improvements Team, Bernard Weatherill House, 8 Mint Walk, CR0 1EA. You can also send your objections by post using the same address . Please provide your full postal address if you would like us to record and consider your views.

Yours sincerely,

JAYNE RUSBATCH
Head of Highways and Parking
